

AMENDMENT TO THE CLAIMS

1. (currently amended) A hollow, three-dimensional, free-standing animal-shaped structure for providing a place for a child to take a nap, said structure being of such a size as to allow a child to fit at least partially inside, said structure having features of a real animal, and said structure having an entrance for the child, said entrance having a swinging door, and said entrance being of such a size as to allow the child to crawl into the structure without changing the size of the entrance.
2. (cancelled)
3. (currently amended) The structure of claim 2 1, wherein the animal has a mouth and the entrance for the child is located at the mouth of the animal.
4. (currently amended) The structure of claim 2 1, wherein the animal has a chest and the entrance for the child is located at the chest of the animal.
5. (currently amended) The structure of claim 2, 1 wherein the structure has a floor.
6. (original) The structure of claim 5, wherein the structure is made of padded fabric.
7. (original) The structure of claim 5, wherein the structure is made of inflatable air-tight material.
8. (original) The structure of claim 5, wherein the animal has eyes that light up.
9. (previously amended) The structure of claim 5, wherein a dim light is located inside the animal.
10. (canceled)
11. (currently amended) A method for a child to take a nap comprising crawling at least partially into a hollow, three-dimensional, free-standing animal-shaped structure for

providing a place for the child to take a nap, said structure being of such a size as to allow the child to fit at least partially inside, said structure having features of a real animal, said structure having an entrance for the child, said entrance having a swinging door, and said entrance being of such a size as to allow the child to crawl into the structure without changing the size of the entrance, and lying down.
